

## PROFESSIONAL, HIGH-SPEED

### INFLATABLE SPEED BOAT

Compact and lightweight, these inflatable boats make great ship to shore tender crafts or a highly portable adventure craft for on the go boating.

# U-DELUXE

Meet our deluxe line with an added U-type boat series. Constructed of our exclusive DWF air deck, the U-Deluxe is available in three sizes: 2.5m, 2.98m, and 3.5m. These air-deck deluxe boats were designed as ideal tenders with oversized tube chambers and generous deck space.

Featuring a U-shaped bow and DWF air deck, the U-DELUXE series is more advanced in construction and production. Our 20 years of experience in inflatable watercrafts guarantees the highest quality in this professional series.

The DELUXE boats are extremely light but extremely rigid, due to Aqua Marina's signature High Frequency Welding Technology and Drop Stitch Light Technology applied to the floor. With highly improved capacity, the DELUXE can easily be loaded with all your gear. Foldable, portable and loadable. This is your new favourite tender!
