

STYLE 3187

## 3187 RATCHET MOUNT

### Stainless Steel

Similar to design and appearance to the current 4187 mount, the 3187 Stainless Steel Ratchet Mount is a versatile, free-standing mount with a four-way ratchet design. It can be used for mounting to vertical or horizontal surfaces (deck or bulkhead) and adjust to a slanted surface.

- Quick action release handle - Easily raise & lower antenna
- Standard 1"-14 threads
- Cable slot for easy installation
- Matches 4187 bolt hole footprint
- Installation hardware not supplied
- Available in clam pack only

Cable slot for easy installation
