SA-HDTV-MAR10

240 mm (10") Diameter

When space aloft is limited yet good performance is required, the SA-HDTV-MAR10 is an excellent choice. Use the Shakespeare 4366 Bracket for easy mast mount installation.

SA-HDTV-MAR8

200mm (8") Tall

Taller but smaller in diameter, the SA-HDTV-MAR8 is great for mounting in those tight spots onboard. It is perfect for close-in or stronger signal areas. See list of supplied items.

SA-HDTV-MAR14

380 mm (14") Diameter

When the focus is on performance and size is of less concern, the SA-HDTV-MAR-14 stands out as the obvious choice. Its larger internal elements provide increased signal pulling power for better picture and sound. Use the Shakespeare 4366 Bracket for easy mast mount installation.

Combine The Comforts Of Home With The Pleasures Of Boating And RVing

When you head for the dock or campground it's nice to escape, but that doesn't mean you have to leave your entertainment and connection to world events at home. With a new Anywhere by Shakespeare TV Antenna system you can have the best of both worlds.

Never Miss Your Favorite TV Programs Again.

With their built-in high gain, low noise, preamps, Anywhere by Shakespeare TV antennas deliver exceptional signal pulling power for a great picture and quality sound. So you'll never miss out.
