

PRO SPORTS 6.5" SPEAKERS

PX312

FEATURES

WATERPROOF

The PRO Sport 6.5" Speakers are built to endure rough conditions and have an IP65 rating.

FREQUENCY RESPONSE

Up to 20,000 Hz guarantees a rich and high-quality sound from these speakers.

COMPLETE THE SERIES

Complete the collection and pair these speakers with the matching PRO Sport 10" Subwoofer to feel the sound instead of just hearing it.

RGB CONTROL AT YOUR FINGERTIPS

Unlock a rainbow of color customization options with Aquatic AV®'s RGB Controller (RG100) (*sold separately*); register with Aquatic AV® and pair with the app for maximum convenience and ultimate color control.

HIGH POWER

Featuring a max power of 120W and an RMS of 60W, you will hear the quality of our new speakers!

RGB COLOR ILLUMINATION

It's no longer only red, green and blue! Pick any color you want to display on your speakers.

2 YEAR WARRANTY

Aquatic AV® products are built to be reliable and durable. The PRO Sport 6.5" comes with a two year warranty that can be extended with product registration.

AMPLIFY YOUR SOUND

Look to power-up your sound? Pair with one of our compatible waterproof amplifiers (AD300.2 Micro, AD500.4 or AD600.5) for the ultimate audio experience even in the loudest environments.
