

# Yacht Ash Blocks

Our Yacht Ash Blocks are traditionally made from solid Ash and marine grade 316 stainless steel. The white acetal sheaves are strong and wear resistant. The stainless steel axle is secured using a hex-bolt making it easier to dismantle the blocks for maintenance and inspection. Available in single, double and triple sheave, with or without swivels and becketts. Each block is hand-finished in high gloss varnish. Yacht Ash Blocks are smaller and lighter than the Tall Ship Ash Blocks and are suitable for yachts up to 14 meters.

Product Code	Description	Trade Price (Ex VAT)
<b>Single Block With Bow</b>		
64403	Ash Block 8-10mm	£ 56.01
64405	Ash Block 10-12mm	£ 59.04
